

# David Walliams

## Billionaire Boy

"As I say, I am here to help."

"Can I have one of these?" said Bob, lifting up a giant bar of Cadbury's Dairy Milk to show Joe.

Joe laughed. "Of course you can!"

"An excellent choice, gentleman. I have those on special offer today. Buy ten get one free," said Raj.

"I think we just need one right now, Raj," said Bob.

"Buy five get half a one free?"

"No thanks," said Joe. "How much is it?"

"£3.20 please."

**If there were a prize for silly special offers, then Raj would win!**

**Bob and Joe wanted to buy one bar of Chocolate for £3.20. If Raj had persuaded them to buy ten, just to get one free, how much would they have spent?**

**What about buying five to get half a bar of chocolate free?**

**Can you design a poster for Raj's shop, offering the silly special deal of the day?**
