Roll after Roll

'...Mr Spud used to make birthday and Christmas presents for his son from the loo roll inner tubes. Mr Spud never had enough money to buy Joe all the latest toys, but would make him something like a loo-roll racing car, or a loo-roll fort complete with dozens of loo-roll soldiers. Most of them got broken and ended up in the bin. Joe did manage to save a sad looking little loo-roll space rocket, though he wasn't sure why...

"It's the best thing you ever gave me," said Joe.

Dad's eyes clouded over with tears. "But it's just a loo roll with a bit of another loo roll stuck to it," he spluttered.

"I know," said Joe. "But it was made with love. And it means more to me than all the expensive stuff you bought me."
