The Boy in the Dress

"I must say you had me fooled..."

"What the...?" said John, as he and Dennis entered Raj's shop to find Raj resplendent in a bright green sari.

And wig.

And full make-up.

"Morning, boys!" said Raj in a ridiculously high-pitched voice.

"Morning, Raj," said Dennis.

"Oh no, I'm not Raj," said Raj. "Raj is not here today but he has left me in charge of the shop. I'm his Aunt Indira!"

"Raj, we know it's you," said John...

"Oh dear... I was hoping I'd get my own back by fooling you, Dennis, after you played that trick on me!"

**What is the best trick you have ever played on someone?
Or that someone has played on you?**
