Gangsta Granny

"Me? An International Jewel thief?" chuckled Gran.

"Just because your Granny is old, young Ben," said Raj, "doesn't mean that she is boring... We will all be old one day. Even you. And I'm sure your granny will have a secret or two. Old people always do..."

Imagine that your own grandparents, or one of your friend's grandparents, have an amazing secret to hide or are not who they appear to be! Who might they be and what secret could they be hiding?
